Re: Your Pennsylvania Right to Know Law Request Received 10/28/19

Dear Ms. Kleist:

This letter is provided in response to your request for public records that was received by the Northumberland County Sheriff's Office on October 28, 2019. Pursuant to the your request, you seek copies of public records (as defined in Pennsylvania's Right-to-Know Law, 65 P.S. §§ 67.101 et seq. ("RTKL")) consisting of records pertaining to the Northumberland County Sheriff's Office records regarding ALPR data and "hot list" information.

Please note at the outset that requests for public records to the Northumberland County Sheriff's Office are generally governed by the RTKL. Section 705 of the RTKL provides that agencies are not required to create a record that does not otherwise exist or to compile a record in a particular manner in which the agency does not otherwise compile the information. 65 P.S. § 67.705.

Please be advised that the Northumberland County Sheriff's Office does not possess any records that are responsive to your request. Simply stated, no such records or documentation exist within the Northumberland County Sheriff's Office because the Sheriff's Office does not have a LEARN system, does not possess any ALPR data, and does not possess any "hot list" information. Accordingly, there are no records to be provided to you at this time.

This letter is provided as a full and final response to your request. Should you have any questions regarding this response, please feel free to contact the Northumberland County Sheriff's Solicitor, Michael J. Kula, Esq. at 570-286-0210.

Sincerely,

Curtis T. Cooke, Chief Deputy Sheriff and Open Records Officer
Northumberland County Sheriff's Office
